LANE A - NATIONWIDE

Government Supply & Procurement

LANE B - NEW YORK ONLY

Government Construction & Public Works

Government Supply & Procurement

Gazelle accepts RFQs for ordinary agency goods nationwide. Each proposed order is evaluated against exact specifications, supplier availability, delivery requirements and required documentation.

Small RFQs, recurring commodity requirements and micro-purchase requests are welcome where the agency's purchasing method, specifications, delivery terms and supplier support fit the order.

Facility, Maintenance & MRO Supplies

Consumables and replacement items that keep buildings and operations running.

Building, Repair & Industrial Materials

Construction, repair and finish materials sourced to submitted specifications.

Janitorial, Workplace & Operational Supplies

Cleaning, sanitation, breakroom and day-to-day operating goods.

Safety & PPE

Personal protective equipment and workplace and site safety products.

Fleet, Automotive & Equipment Supplies

Parts, fluids and consumables supporting vehicles and powered equipment.

Electrical, Mechanical & Facility Components

Electrical, mechanical and HVAC-related components sourced to specification.

Categories describe sourcing families, not stocked inventory or manufacturer authorization. Products are quoted to exact specification against confirmed supplier availability, lead time and documentation. Fulfillment may use supplier-direct or common-carrier delivery when supported by the order.

Construction & Public Works

New York only: New York City, Long Island and nearby New York locations, subject to scope, qualifications and capacity.

- Renovations & facility improvements
- Masonry, lintel & exterior repair
- Drainage & exterior site work
- Interior build-outs & finishes
- Selective demolition & site preparation
- Multi-trade coordination
